

Edge Consulting & Strategic Research is a strategic consulting and market intelligence firm located in Mexico City, which helps its clients grow their businesses' market share profitably. We are currently looking for recently graduated professionals to join our team.

What makes us special?

- **Differentiated.** We feature world-class know-how and a multifunctional team with consulting and operational experience that supports the development of actionable, measurable strategies and plans.
- **Intellectually curious.** Always in search of new ways to grow businesses by the consistent questioning of current practices, and the application of a creative approach and global benchmarking.
- **Client/results-oriented.** Focused on profitable growth and astringent discrimination of opportunities, based on size, return on investment, level of difficulty and implementation timeline.

What will you do as an EDGE-University Intern? Since day 1 you will be working with senior consultants and industry leaders to resolve interesting business questions and problems, through the use of complex analysis and advanced research techniques. You are expected to use your insight and findings to understand and propose solutions that have a lasting impact on our clients' businesses.

Who are we looking for? (you should have/be...)

- Bachelor's Degree in: Business, Management, Economics, Finance, Actuarial Science or Engineering.
- Experience in an analytic internship preferred.
- Excellent analytical and decision-making skills
- Proficiency in PowerPoint, Excel (Pivot tables) and Outlook
- Outstanding interpersonal, verbal and written communications skills, both in Spanish and English
- Candidate should have strong organizational and time-management skills. That is, should be able to handle multiple projects by prioritizing work assignments, and function effectively in a complex, flexible work environment.

What do we offer?

- Direct exposure to high-end industry leaders.
- Close contact with Senior Consultants.
- Competitive pay.
- Parking Space Available.

How to apply?

Please send your application in a single PDF file to paulina.godinez@edge-consultants.com before July 25, 2016, providing the following:

- **Curriculum vitae or resume.**
- **Cover letter** explaining the reasons why you want to work at EDGE, and why you think you are the perfect candidate for the firm.
